Future Pacific Warrior:

We would like to take this opportunity to welcome and congratulate you on your assignment to the Headquarters & Headquarters Battalion, United States Army Pacific (HHBn USARPAC). You will find that during your assignment to HHBn USARPAC, you will undergo many demanding, yet rewarding experiences.

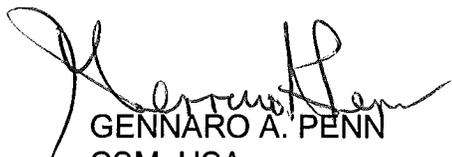

USARPAC, the Army Service Component Command (ASCC) to U.S. Pacific Command (USPACOM), postures and prepares Army forces, sustains and protects those forces in the theater, supports the development of an integrated Joint force across domains, and builds military relationships that develop partner defense capacity in order to contribute to a stable and secure Pacific Command area of responsibility.

Throughout the process of becoming a part of the Pacific Warrior Team, you will receive assistance from a wide variety of sources. The first and foremost is your sponsor; an individual selected and trained to answer your questions, provide support, and assist you as you integrate into our community. A sponsor will be identified for you from the section to which you have been assigned. Please use this sponsor as a resource to make your move as pleasant and trouble free as possible. Additionally, your chain of command and various agencies stand ready to assist you and your family if needed. We ask that you visit the following websites and begin looking for housing as soon as possible, as on-post housing may be difficult to obtain initially.
